

Personal Financial Management Classes

Pursuant to the provisions of the Bankruptcy Abuse Prevention Consumer Protection Act of 2005, individuals are required to attend and complete a course in Personal Financial Management as one of the prerequisites to obtaining a discharge. My office is pleased to announce that we are now providing these classes to those individuals in which I have been appointed as Chapter 13 Trustee. These classes are provided **at no cost to you.**

The dates and times of these classes are listed below and are conducted at Four Points Sheraton, 319 Fountains Parkway, Fairview Heights, IL 62208.

The classes start promptly at the times indicated and late entry is prohibited. Additionally, the class size is limited and availability is on a first come first serve basis.

Finally, be sure that you have a **government issued form of picture identification as well as your bankruptcy case number** with you. You will be required to provide proof of your identification and sign in and out of the class. You will be required to complete and turn in an evaluation form at the conclusion of the course in order to obtain your Certificate of Completion. This certificate will be sent to you and you (or your attorney) must file it with the Court.
